
Naivera Golf Team-Building Itinerary/Programme

Date; 3/10/2025

Venue; Migaa Golf Club

Dear Team,

This event is not about perfect swings or professional golf it's about learning something new together, laughing together, and supporting each other as one Naivera family.

Golf is a game of Patience, Focus, Tolerance, Integrity, Strategy, and Teamwork, the same values we need in Naivera.

So let's prepare to step on the course on Friday, cheer loudly, celebrate each small win, and remember that every shot, good or bad, is part of the learning.

By the end of the day, my hope is that we'll not just know how to hold a golf club, but also feel even more united as a team.

Let's be ready to have fun and play with spirit!
